Press Release – 30 th November 2005

Inaset and Soporset sponsor Eurographic Press Meeting

The Inaset and Soporset brands from grupo Portucel Soporcel have sponsored the 45th Eurographic Press Meeting, held in Portugal between 22nd and 27th November.

Hosted by Portugal for the second time - the first was in 1998 - this year's initiative brought together the editors of the 14 graphic arts magazines making up Eurographic Press, among them this year's organizing magazine *Do Papel*. Representing over 300,000 subscribers

INASET SoporSet
Sublime Paper

and around half a million readers in the European graphics community, these 14 magazines are market leaders in their countries, communicating with practically all readers in the European graphics sector.

Participants had the chance to visit companies connected with the graphics sector in Portugal, including a visit to grupo Portucel Soporcel, namely the Herdade de Espirra and the Setúbal Paper mill.
